Fundraising at Mullingar Greyhound Stadium... **Everyone's a winner!**

Great results. Less work for you... more time for Fun!

You'll find Mullingar Greyhound Stadium is tailor-made for holding your fundraising event.

With excellent facilities, guaranteed excitement and an event that everyone will remember, the best news of all is that our events team have all the expertise and assistance you need to help you organise your event with the minimum fuss ... and to get maximum results.

We're dedicated to the Non-Profit Community.

Your local Greyhound Stadium can facilitate the non-profit community with a range of services that supports fundraising through benefit nights.

Our goal is to help you tap the full potential of your benefit evening. A Greyhound event allows you to build a broader base of support from a diverse range of contributors - making your evening an overwhelming success.

Your night will also help to support the Irish Retired Greyhound Trust (IRGT) as 2% of ALL winning prizemoney is donated to the charity and matched by IGB. The IRGT is our registered charity which works with owners and trainer to rehome greyhounds after their racing career ends.

You're **passionate** about your cause. We'll work with you to get the very best results for it.

Fundraising takes time and effort. That's why, at every turn, we want you to take advantage of our enormous experience in getting maximum results. We'll help you develop a fundraising strategy that suits your needs and minimises your workload and that of your fundraising committee. We'll give you constant guidance and support, so nothing is intimidating and everyone and everything is catered for.

1 Small - Ticket Sales

Funds from €1,000 to €6,000

How it works...

- The stadium gives your fundraising committee pre-printed tickets, each entitling the bearer to entrance and race card to the stadium
- Your committee sells the tickets at €10 per ticket
- The day before the event, your committee meets with the stadium and gives back the unsold tickets, paying €3 or €4 (depending on the night) for the tickets that were sold. Your profit is €6 or €7, multiplied by the number of tickets sold.

Example: Your committee receives 500 tickets from the stadium, of which 400 tickets are sold at €10 each, a total of €4,000

The committee then returns the 100 unsold tickets and pays €4 for the 400 tickets sold, i.e. €1,600 is the charge for the event.

Total profit to your fundraising committee of €2,400

EXAMPLE ONLY

Sell 400 tickets at €10	€4,000
Charge to stadium of €3 per ticket	€1,200
